

Each child is challenged to be consistent in his/her attendance.

A klubber will receive this award if they **miss 6 or less times** for the year. This award will end **February 25**. (Any klub that starts late must count each week late as a miss for their klubbers.)

The award will be a button that the klubber may wear to the Rally. It will indicate the number of consecutive years they have received the Good Attendance Award.

Those who have earned this award for 5 consecutive years will receive a MEDAL at the Rally.
