

Klubbers will be given a Quiet Time Calendar with verses about God's Word.

They may read **only 1 verse a day and then color in the star or circle in that box.**

They are also to write in the day they do that verse (ex. Sept. 10). There are 30 verses.

They may do it every day for 30 days or spread it over several months.

They will earn points for their klub for any part they finish. It must be completed by February 25.

TEACHERS MAY DO THIS AWARD.
